The best friendships are the least expected and most memorable! Ken was a good friend for too many years to count. He was the type of person that could talk all night about nothing, he could be serious and he then he could; effortlessly interject his own, raw humor which created priceless memories! RIP my friend. You are already missed.

“ *I pray that this family be lifted up, there are no words for a loss of a family member. Especially one as special as this one. Ken was a very great man, every time I would see him he would ask how me and the family is doing. Always had a smile on his face and if you didn't have one on yours he would definitely put one there. He had a place in my heart, and I know he put an impact on many others. A loss during the holidays is the hardest time. I pray that this family can find some peace and comfort during this difficult time. Lots of love. Rest In Peace Ken ray.*
