“ From the first date you took me on at reverand Jim's a yr ago for those famous burgers, to the house of torment on Halloween that was a blast, our weekend with karis at longs lol, to thanksgiving with your family, and the camping trip with the kids I'll never forget or stop smiling about, to the day we moved into our place here at the lake, all the mornings u woke me up with breakfast in bed , the flowers u randomly picked for me, that dang garden of mine u worked so hard to help me make so great, the tree u hauled home just for me cuz I had to plant one, the beautiful flowers on Valentine's, and all the days and nights fishing with u lol. I think we actually have catfish in the freezer still. Kirby you were the best thing that ever happened to me. You saw what I didn't see in myself and made me feel like I was ur everything. I've never had anyone love me as much as u did. I thank god I got to be with u ur last moments here on earth. I love you with all my heart and I hope one day I'll get to see u again. You were an amazing man that the world is going to miss so much.

To Sandra and all the family, We are so sorry to hear about Kirby being killed in a crash. His memory will always linger in our heart and mind. He almost died when his kite string went over the guy wire in Jacksboro when he was a small child. Roy & I got there to the house while he was still unconscious and He has been a living miracle since that day. God is the only one who can heal your hearts and give peace to your soul. Our love and prayers are bigger than any words we could say. Live for Jesus because He is coming very soon and what a reunion that will be. Our love Roy and Sue Carpenter 10-21-16
