“ *Opal, Cathy, Pat & Joe,*

Larry was a great friend who will be missed by all of his classmates, not just me. I am sad that we had drifted so far apart after our early years together in JHS. He was a very talented and extremely smart kid that was a joy to be with. I remember, almost to the day, when you guys moved to Jacksboro and I met Larry. He was a special friend to my entire family and I can remember sitting at the kitchen dining table eating sandwiches, chips and cokes and talking with my parents about our great football team and what we planned to accomplish in our hearts together. We will always remember Larry in our hearts and minds.
