“ I always remember Larry being around while Sandi and I were showing cattle and helping us out in any way he could. I especially remember us always joking that we were really brother and sister because when I was little my hair was a lighter shade, almost red like his. I so looked up to him. When I got older, whenever I saw him, his smile was contagious and I loved being around him. He was a very kind and gentle soul. I will miss my cousin Larry. My thoughts and prayers are with all of my family during this time of mourning.

“ Larry, was such a kind person when we went to school together. I remember having a crush on him in the 6th grade. I was very sad to learn of his passing at such a young age and sorry to find out that he had been ill. I know he is in a better place and will continue to pray for his soul. May God give you peace.
