“ *To the family of Vera Kidd. We were so sorry to hear about Mrs. Kidd. In case you don't remember us, Kenneth was one of the flagmen at the Ross Downs Motorcycle Track in Colleyville. Please know that you and your family are in our prayers. God bless you all. Kenneth and Wanda Garrett*

“ *Mrs. Vera was one of the most precious people I have ever known. She was also a very big inspiration to me. I am also an LVN and cared for her at the nursing home where we all called her Princess. She never complained no matter how much pain she was in. I thank God for the privilege of having known her and being a part of her church family. My thoughts and prayers are with you all. May God bless and keep you all. I thank all of for sharing this beautiful lady with me and giving me the privilege of being able to help caring for her.*
