“ *Leon was a favorite patient of mine. His smile always lit up our days and his presence has been and will be dearly missed.*

I looked forward to our time together every week as he always gave me a reason to smile.

I could go on but I won't. He was a good man and a kind soul.

I wanted to be at the funeral Friday, but my other patients need me here.

To the family I send my condolences and wanted to let you know Leon truly made a mark on my life and he will never be forgotten.

*Sincerely,
Heather Brown*
