“ I got to know Linda and Ray when my sweet Mama was in the nursing home, and grew to love them both dearly. Linda was always so glad to see me and we would talk and tell each other "I love you". She was such a precious lady and I will miss her smiling face. I know she is with her Lord and her other family members in Paradise, resting in peace, no pain, no anxiety, and no fears. Ray, you and your family are in my thoughts and prayers.

“ My name is Darla Jackson. I always knew Linda and this family, but in the past 1 and 1/2 years since my mom has been in the nursing home and Linda as well, I feel I have become close and great friends with her and Ray. I got to know them so well. I talked to her and held her hand just the other day. She was an exceptional lady, a great Christian woman. I pray God comforts this family as only He can. As sad as I am, I know Linda is in Heaven and we will see her again one sweet day, just like I know I will see my daddy. Marla and I have made so many friends at the nursing home and it is so sad to lose them. It is like our 2nd home. We spend nights there with our precious mama and eat with her some. God bless all. Love Darla

“ Always love going over to Aunt Linda's. She was like a second mother to Jerry and I. I remember once coming home from college and had forgot mom and dad was going to be out of town for the weekend. I came home because it was my birthday and I went over to Aunt Linda's and she felt sorry for me and baked me a home made chocolate sheath cake. It was delicious. She was always cooking up something, I remember her homemade corndogs and things such as that. I loved her dearly and will miss her very much but I have very fond memories of her and will cherish them forever. Prayers to Uncle Ray and my cousins Bruce Hesteande and his family and to Steve Hesteande.
