“ Linda, you never ceased to amaze me from the very first moment you walked into that office at the Shrine temple that day..We all thought you were way too meek , and sweet to sell tickets on the phone to a football game..BOY were we wrong..  
Over time, I can came to trust you , appreciate you , respect you and most of all love you and Wayne...You were one of the strongest , most amazing people I have ever met...I guess dynamite does come in small packages...  
It comforts me to know, that you are now reunited with your beloved mother, and with the love of your life Wayne...

To The Woolf Fsmily..God Bless and peace and comfort be with you during your time of loss..

I have no doubt I will see you again one day Linda my friend...Love you ..

Kim , Traci and family..

“ I was so saddened to hear of Linda's passing. I had just been searching for her address to send out a notice of our 50th high school reunion for the class of 1961. Linda had the most perfect pageboy hairstyle in our class for many years. The video tribute to her was wonderful. May God bless her family.
