“ *I have had many acquaintances in my time, but Lloyd is one man that I have always boasted "he is my friend". But it really was deeper than that, Lloyd Dewayne was my brother. Anyone that ever really got to know him will tell you that once you know him, he's family. In the last 30 years I have known him I have always had solace in knowing he always had my back. From standing up to insurmountable odds in a bar fight to helping me roof my house. Somehow he was always there when I really needed him.*

Lloyd, I love ya Bubba!

“Lloyd was a fine neighbor and always there if someone was needing help. He always gave a smile to everyone. Loved his family . He will be missed. May the Lord watch over the family and give them strength and may Lloyd rest in peace.

“Lloyd Dwayne was a great friend, neighbor and brother to us when we moved out here to Jack County. We shared many a laugh over coffee or beer with Hoot and Ruby at their picnic table, sharing stories, slinging horseshoes and swapping tall tales. He was a great guy that we will truly miss. His life was hard, and it was cut too short. May God bless him and keep him. Much love to and for him always.

Well cousin I hope you are having a great reunion with those who have went before you. What a sight it must be to see all the Tillery men standing tall without crutches. You will be missed.
