“ I have great memories of the times our families along with the Tilghmans, Mowers, & Clarks spent together. The motorcycle hill climbs, picnics, weekends at PK, square dances and all the other fun things are times I will never forget. I remember once when I was at your house your Mom thought a tornado was coming and she put us all in bed and put a mattress over us. She was always so much fun. There are just too many things to name here but I do understand your loss and give you my love and sympathy.

“ When I saw the picture of Cubert and Louise (early days) a lot of good and some painful memories come back.

I have seen Rosemary but it has been a long time. Can not remember the last time I saw Pat or Sharon.

As far as I can remember you were our closest neighbors. It has been a long time.

“ Pat, Shaaron and Ronnie, I'll never forget the motorcycle hill climbs, Possum Kingdom trips, cookouts, parties and all the fun that the Fries, Hatfields, and Mowers had so many years ago. Louise was always fun and always made me laugh.

“ I have so many memories of growing up next door to the Frie family. I will never forget Louise frying the "crawdads" Pat, Shaaron and I caught at the pond or Louise doctoring our scrapes from falling off the stilts Cubert made. Cubert and Louise had the first TV and every day I was at their house at 4:00 when the signal started. I felt at home at their home as much as I did mine. Love to the family.
