“ Papa, you left us with many great memories, to many to list but I will always remember the great times we had as children at your house and you always taking the time, as we grew up, to call and check on us and make sure we kept in touch. You loved every one of your family members and was always sure to show it. Love you so much and miss you to much already but nothing is better than seeing your suffering and pain end and knowing that you are having a reunion of a lifetime!! Love you always Papa Dean and may you rest in peace now.
