

## Lynn Pruitt

August 4, 1943 - September 15, 2020

Lynna May (Lynn) Pruitt passed away Tuesday, September 15, 2020 surrounded by family in Jacksboro.

Funeral services will be held at Coker Funeral Home on Saturday, September 19 at 2:00pm.

Lynn was born on August 4, 1943 in Dallas, Texas to Lloyd Calvin Hubbard and Della May (Gladden) Hubbard. She married the love of her life Milton Reece (Sonny) Pruitt on May 23, 1970 in Jacksboro, Texas.

Lynn was a certified Home Economist with the Texas Agricultural Extension Service of Texas A&M University. She served 29 years with 27 of those being in Jack County. Lynn was a member of many professional organizations throughout her life including the Texas Association of 4-H Agents, Jack County B&PW, and the Jack County Fair Board to name a few. For 15 years, she appeared on the WBAP TV show with Bob Walsh, Ed Pewitt, and Dick Yaws. She collected and wrote a history of 4-H in Jack County.

Lynn loved to volunteer and give back to her community. This was especially true with Concerned Citizens and the Jack County Clothes Closet which she served as coordinator. She felt truly blessed to work with the dedicated group of Ladies at the Clothes Closet.

Lynn enjoyed quilting, tatting, and preserving heirloom hand work. She loved collaborating with people and encouraging them to achieve their highest potential. She was a member of the First United Methodist Church and when her children were little, she also taught Sunday School.

Lynn was preceded in death by her parents.

Those left behind to cherish her memory are: husband Sonny Pruitt; daughter Shelly Pruitt; son Michael Pruitt; grandson Jacob Wykes; and sister Ann Wright.

“ I am so very sad to have lost my friend, Lynn. I met her 40 years ago when we were both County Extension Agents. Lynn's laughter, kindness, and genuine love for others was always shining through and she was one of the most giving, dedicated people I have ever known. I was bless to know her. Over the last couple of years, we found that we both loved Fiesta Ware, so we found "treasures" for one another and traded regularly.

*I'll miss you friend, and so will all of Jack County.*

“ I am saddened to hear of the passing of Lynn. I have known Lynn a long time. I met her when I was a 4-Her in Parker County and have been friends with her throughout the years as a County Extension Agent. The last time I saw Lynn was a couple of years ago when she was doing a Pie Making demonstration for the Pioneer event at the Museum. Lynn was a warm and gracious lady. She always had a positive attitude and I just loved her enthusiasm. She did so much for 4-H and Jack County. She was loved and cherished her life. Prayers for her family and friends as they will always miss her. I know that everyone will carry with them the wonderful memories they have of a sweet lady who was beautiful inside and out.

“ I met Lynn shortly after moving to Jacksboro and beginning my career as a Family and Consumer Science teacher at JHS. She was a blessing to me as new teacher sharing with me TAMU Extension programs to help me educate my students. One program in particular sticks out in my memory which was the "Texas Friendly" curriculum. She would even volunteer to come up and help me teach the program because she was so passionate about it. It was so reflective of who she was...it taught people how to promote their own communities to visitors who were passing through town or relocating to the town. She shared her love and knowledge of Jack County to everyone! Thanks to her love for TAMU Extension following 17 years in public education I followed her footsteps and became a Family and Consumer Sciences County Extension Agent with Texas A&M AgriLife where I have served as an agent for Van Zandt County for the past 7 years. I mention this because with out her passion and love for family, community, and extension my life might have taken a different path. I feel so blessed like many others to have know her. RIP Lynn until you greet us at the pearly gates as I know you will. My thoughts and prayers are with her family.

“ I chose a purple candle in memory of Lynn, because purple represents Jacksboro. Lynn was totally devoted to every person and every need of the people of Jacksboro. From the children to the elderly and everyone in between. Lynn was very involved and always helpful at school. Every time I presented a musical or patriotic program she was always willing to give her time and resources to put together any costumes or props that were needed. Her enduring love, beautiful smile and contagious laugh will truly be missed!

“ *Dona Brewer, shared memory of Lynn, a cherished friend*

*One conversation which occurred early in our friendship, she wanted to share her thoughts concerning a really nice young man she had met shortly after assuming her position in Jack County. She really liked how down to earth he was, his dry sense of humor, and how he just kept showing up to help her get settled in to her new home and just, well, taking care of her....that young man has spent his life doing just that. Sonny and Lynn were special pairing who raised a wonderful family, served others and made Jack County a better place for their selfless efforts. I shall always remember Lynn's positive attitude that always raised your spirits, an infectious laugh, and inquisitive nature for learning. She will hold a special place in my heart.*

*Not only has her family lost their beloved ,the community has lost one of the best public servants it has ever had and we have all lost a friend. The best kind, one that was always thinking of others. So many memories, so many miles we traveled. No one worked harder to preserve the history of 4-H for this county. She was one of a kind, never to be forgotten. A life well lived. If Heaven needed a director, they have one now. We owe the Pruitt family many thanks for sharing her with us. Meet me at the gate Lynn, with that beautiful smile.*

“ *Lynn was definitely a servant whose deeds blessed all those who knew her, and many she'd never met. Lynn volunteered to help with so much, but what she was really volunteering was love. All those selfless acts of kindness, sharing, sewing, teaching, leading, etc. touched us all. The world is a better place because you were here. You were treasured because you were a treasure.*

“ My wife and I knew Lynn while I was the pastor at First Methodist for 8 years. It would be impossible to count the number of times we interacted around the Clothes Closet, as Lynn gathered the city’s “extra stuff” and made sure it went to people with “not enough.” Watching her build, then rebuild the new Clothes Closet was an object lesson in focus and determination. I would wish a Lynn Pruitt on every town in Texas, and anywhere. God bless her, and may her example and memory be a blessing to Jacksboro for many years to come.

“ I first had great experiences with Lynn Pruitt when I gave my first Christmas shoes. I always gave these huge humongous shows with 400 + kiddos grades k-5. I never was one to take any short cuts and went all out, to the point of exhaustion.

But, I could NOT have done these early shows without the help of those parents who felt the passion, too. Lynn was such a parent. A VERY talented one I soon found out! When I decided to do Children's Christmas play, *The Nutcracker*, she made ALL of the gorgeous costumes from sugar plum fairies to Chinese dancers, from mice to king, from snowflakes to flowers.

While she helped with some others, *The Nutcracker* was the most wonderful, memorable experience that few students from a small town would ever have, and I could not have done it without Lynn. She touched every elementary student's life like that.

We will miss you, Lynn, and your work with Clothes' Closet, Concerned Citizens, and with the Jack County Democratic Party.

“ I could write a book on what Lynn meant to me and this community. If Lynn knew someone was in need in any form or fashion, she didn't hesitate to reach out to them in a fashionable “Lynn” way. The compassion she had for serving others was Pure Joy for her. She was a very talented, loving, giving, admirable , selfless lady. She never put herself first... always others. I'm glad to have known her and I will miss her humor , and our conversations we always shared.

“ Hi, this is Jessica Miller and my mom Diann McByde we are truly heart broken of the passing of Ms. Lynn. Our deepest condolences to her family. She will deeply be missed by so many. She had such joy in her heart and huge heart of giving. We worked with her helping teenage girls attend prom through our ministries prom wishes and clothes closet. She blessed so many girls in need and partnered with us gave us a long lasting friendship. We moved from Jacksboro when my daughter was 2 and she is now 5 and when we talk about Jacksboro she always brings up Ms. Lynn and the ladies at the clothes closet and how they are just all so sweet. Our thoughts and prayers are with her family during this time.

“ I first met Lynn as Lynn Hubbard, our 4-H sponsor, who was undoubtedly the best sponsor ever. She hosted many a sleep-over at her home for Julie Fenter Springer, Tina Davis Mower, me and others. Not only did we share endless fun together, but she taught us life skills that are still being utilized today. The past thirty years I have shared hundreds of board meetings with Lynn for the Concerned Citizens. Lynn clearly is one of the most selfless, artistic and “compassionate about her community” individuals that I have had the opportunity to know. She has tirelessly served the youth, the elderly and the underprivileged for decades and we all owe a great deal of gratitude to this servant. If only we had more “Lynn’s” in Jack County! Thank you, Lynn, for a life well served.

“ Lynn was such a sweet, caring woman. When our house burnt down in 2004 she was the first person to reach out, opening up the Clothes Closet so we could get shoes and clothes. She was also very involved with the High School Band when my youngest two girls were in it. She will definitely be missed

“ I know my aunt, Tommie Joyce Cunningham, was waiting at The Pearly Gates with pompons when Lynn joined the Heavenly Hosts!! She's been waiting quite a while for her to arrive!! They are busily cooking, sewing, and organizing 4H meetings!!😭😭 Lynn was one of my first friends here in Jacksboro, and I'll never forget her. Neither will anybody else! She earned so many stars in her crown on this earth that she probably needs a wheelbarrow to push it around up there! *Lynn truly had a servants heart. I have a tiny cross she tatted for me. Always, the teacher, she tried to teach me this lost art....to no avail. She made my garter for my wedding and both my daughters and daughter in-law's. My 3 grands are 3 and under...even though she was sick she made them all a baby blanket! I have worked with Lynn in several capacities over the last 43 years. Lot's of funny stories for sure. She will be missed in our little community!*

“ Lynn was a wonderful, caring person. She was always ready to open up the Clothes Closet and share whatever was needed to those who had lost everything in a fire, or whatever the circumstances were. She was always cheerful and kind to everybody, and was a great example to all she met. I only have good memories of her. To Sonny and the kids, I am so sorry for your loss. Fly with the Angels, Lynn. Love you 💕😭

“ Lynn was my other mom growing up as she lived across the street. I learned so many things from her as a child and enjoyed being involved in 4H with her. Sonny, Shelley and Michael....I cant even begin to tell you how sorry I am for your loss. I love you all.

“ Our Community has lost a true hero! No human ever cared so much for this town and every body in it. She did not see a persons race or past. Lynn loved furiously and she helped anyone that needed it! She was simply the best. I loved her so much! She will be greatly missed more than words could express. She was an Original, Beautiful and she genuinely Cared. My prayers go out to Sonny and her family.

“ What a wonderful woman she touched so many lives. Jacob, Dante and I received so much help from her that when I came to Jacksboro I knew I needed to tell her in person how much she meant to us
