“ I was so blessed that God put Ms. Margaret and me in line together at Dollar Tree. She became such a dear friend. I enjoyed our letters, in person visits and all of her stories. She and I did a lot of praying together. I know that she loved her boys. God gained an angel. Until we meet again, Ms. Margaret. I love you!

“*Margaret (and Bill) were the best neighbors ever! I will forever cherish the many phone calls that Margaret and I shared through the years. Her dry, quick wit coupled with her story telling made for some memorable conversations. Margaret is right where she belongs..... alongside Bill, now. Thanks for the memories, Margaret. My world (and that of my family) was so much better by having been graced by you.*
