“ *To Terry and other family members-Pete and I are staying for a few weeks in a RV park near Harlingen, Texas. I came to the library and pulled up the information about the death of your Mother. Marie Lewis was a special person to the Woolsey family down thru the years. We always enjoyed visting with her in Greystone after she moved there. She was a sharp lady, with a memory that recalled things that we could not begin to remember. We send our sincere sympathy to all of you. You had a great mother for many, many years, and we are grateful that we knew her. Pete and Mickey Woolsey.*

“ *Terry and Kathy, I am very sorry for the loss of your mother. Even tho I only met your mother once, she sure was one to stand out in your memory. I know that you will really miss her, but you can still tell us your funny stories about her when you come to see us at the bank. Take Care Cindy*

“ Terry, Kathy and family, *I am so sorry for your loss. I'm glad that I was able to visit with her in the last few weeks. She still had those funny expressions on her face when I talked to her. This is a difficult time but with God, family and friends you will get through it. Please reach out and take advantage of help from friends and family. That is our purpose driven life, to help each other especially through these times. Your mom is in good hands now, and will never suffer another moment. Keep that in mind and ask for his help and he will guide you.*

“ Terry & Kathy:

I always thought of your mother as Aunt Marie, instead of cousin. As a child, I always looked forward to visiting her at home; then later in my life at the Lewis reunions. She was always a blessing to me. I thought she was always beautiful inside and out at any age of her life. She loved her family very much! Aunt Marie glowed every time I inquired about her children and grandchildren. We will miss her very much; but her sweet cherished memories will live on through our lives and her family. My Grandparents, Hart & Lucille thought the world of your parents.

You and your families are in my thoughts and prayers at this difficult time. It's hard to let go of our angels on earth; but they rest in heavenly peace from above, so their spirits walk with us through our daily life. Lynette
