“ *Tommy, I can't began to tell you how sorry I am. I can't believe she didn't call one of us. My prayers are with you and your family. I'll miss her so much..she was like a sister. The world will be a sader place now without Ann.*

“ Ann was a Dear Friend of mine...We worked together at the County and loved giving each other grief...We were always pulling pranks on each other...laughing and cutting up...She was a beautiful person on the inside and out...was always willing to listen to whatever was going on in my life...willing to help out in anyway she could...I admired how independent she was and how she could do anything she sat her mind to do...Ann didn't talk about doing things...She did them...That's how she was...She considered all of us family and I considered her the same...She was dearly loved and will be dearly missed.

“ I think of Ann almost everyday when I walk past my front flower bed, she had a green thumb and she knew I did not, she brought me some of the prettiest ground cover about four years ago, I planted it and it spreads more each year, I just transplanted some more of it yesterday morning, it is so beautiful just as Ann was. Ann was a very dear friend of mine and will miss her dearly but will always think of her when I walk by my flower bed. My thoughts and prayers to all of her family...
