Sarah Beth, Charlie & Families, So sorry to hear about Mary, she was such a sweet lady, and loved by many. My parents and I have known Mary for a long time, lots of memories of her and Willard from their home place and from church. She could sure make some beautiful afghans, my husband and I just happen to have one that she made for us 33 years ago and gave to us as a wedding present. Our son also has one that she made and gave him when he graduated high school 8 years ago. Mary and Willard when they had their garden, they would tell my parents to stop by and they would give them tomato plants for their garden. She will be dearly missed by many and especially all of you. Prayers continue for all of you for all the days ahead.
