“ Brian - I'm so sorry to hear about your mom. I remember when you and your family lived down the street in Archer. Your sisters probably don't remember me, but please send them my sympathies as well. You and your family are in my thoughts and prayers.

“ We have such fond memories of the McPherson family. We remember so many good times working with Jane on dinner theaters, class projects, and especially on activities, parties, and events for our daughters, Gay and Melanie. Brian and Karen, you were also very special to us - both outstanding students. Jane was so talented, intelligent, funny, warm, and loving. She was an outstanding teacher and a great friend. We are very thankful that we had the opportunity to know her. You are in our thoughts and prayers, and we will hold you close in our hearts always.

Love,
Ed and Darlene Bonner

“ What a beautiful lady and what a beautiful life she lived. Jane became a dear friend during the time we attended FUMC Jacksboro together. She was such an inspiration to me on many levels. Brian, please know that you played an important role in my daughter Michele Webb Dunn's life during high school years as well.

There are no words that will ease the pain of saying goodbye to your mother, but please know I care.
