“ When I was a little boy I would spend time every Summer with my Grandma Chris. It was always a special treat when my Auntie Maureen would visit. She was always smiling and she was always interested in whatever I was doing or anything I had to say. She was warm, patient and kind and she spoke with a soft voice. I was so happy for her when she and David met because I could tell that he made her happy. I remember visiting David and Maureen in Texas and seeing first hand what a wonderful life they had created together. I was so happy for them to have Christa and Elizabeth because they both had so much love to give. Words cannot express the feeling of loss her absence gives to anyone who knew her, especially to those who had the honor of being her family. She was strong in her faith, so I know she is at peace with God and joined with those who passed before her. May her memory live strong all of us as a shining example goodness that we can all strive to emulate. May thoughts, prayers and love bring comfort to David, Christa and Elizabeth.

“ Aunt Maureen was like a second mother to me. So many summers she and my uncle took me in - It must have taken such patience to deal with me as a teenager - but that was the type of person she was...beautiful, loving, patient, and calm. I loved you dearly.
