“ All my love and prayers are with you all. Im so sorry I wont be able to be at the services but just know that I'll be there in spirit. I have so many memories of our visits to Aunt Mary and Uncle Cecil's house and those crazy Brock boys. Lol. Every memory makes me smile or laugh. I love you all.

“ This man was like a father to me when my was MIA,the whole  
family has been like my family in some way or another. Crazy  
bunch,I mean we were in a town where nothing ever happened so u  
had to create ur own entertainment,but we never got into any  
trouble while with any of them. I am truly going to miss this man,he  
had his bad times but he was always there when he was called  
upon. GOD knew he would make a good angel so he called him  
home,to early if u ask me but he was only on loan to us. Collette  
and family I am truly sorry for the lose of this great man,he will truly  
be missed by many.
