“ *This is a time when it is impossible to express our true feelings to you, Loraine and all the children. The only comfort we can give, is to remind you that we are in prayer for all of you every minute. I have been to your home to see if there was something that we could do for you at this sad time. Talked with Eric and Stephanie, and at that time there wasn't. My connection with your family goes way back to the time that I kept Loraine while Bonnie worked at Dairyland; and Loraine (Susan) you were a small baby. Also our memories and contact with the Phariss family have been many, many years, and there have been good memories. Only God can give the strength all of the family needs at this time. God will always be near and will help each person, if we allow him to. We will be in contact with you all at a later time. Love. Mickey and Pete.*
