“ *While Mike was not our son, we grew to love him as one of ours.*

No parent should lose a child but God's will is the way.

His trials are over and he will now watch over you with love.

“ *Mike was a great brother to me. We kept in touch with each other while he lived in Estes Park and for a short time after he moved back to Texas.*

He would send me pictures of him and his dogs in the mountains of Colorado. He really loved those dogs.

I will truly miss him, he was a great inspiration. A very sweet and enjoyable person to be around. His smile and laughs were purely heaven sent.

Mary, Perry, Sarah, and Jennifer, my prayers are with each of you in this time of loss. I will always cherish the moments that Mike and I shared.

“ My heart felt sympathy to all of Mike's family, it was a great loss to everyone-those that seen him often and those that seen him on occassion. Mike came to my house a year and half ago, we had the best visit and took many wonderful pictures. I never seen him down or upset about anything-always smiling, laughing and spreading good cheer. He had a laugh that no one could ever duplicate. He was a real trooper in any situation. And enjoyed life to the utmost.

“ Mike was my best friend here in Colorado. There was no limit to what Mike would do for his friends and family. He always put his friends and family first above himself and everything else. I will miss him deeply, and will never forget the times we had. I owe Mike much thanks and gratitude for his help and direction he offered me over the years. I thank God for Mike's friendship, and my prayers are with his family and friends during this time.

“ Mary Ruth, Leon & family, I am so sorry about Mike & so sorry I couldn't come, but health problems did not allow. Mike was always so sweet & I loved him as I did all of you. I did not remember how much he looked like you, Mary Ruth. I am so sorry for what you all have been going through, I did not this until after he died. Chris told me. We know he is better off, but still it hurts, just know I am praying for you. Love, Rita
