“ Mitchell was such a handsome young man. It is a shame that someone with so much potential would have their life cut short. God had other plans. I hope that his family will find peace & understanding that this is not the end. You will see Mitchell again! Love to all! Darlene

“ I just learned today of Mitchell's passing. My heart is both shocked and saddened to hear of your loss. I remember Mitchell from children's choir and other activities, and recall thinking of the bright future waiting for him.

May the blessing of memories lighten your heart when you think of his face,

May the blessing of comfort from many who care ease your mourning with moments of grace;

May the blessing of hope that a better world waits bring a smile for each tear that you cry; and

May the blessing of peace gently carry you through....now, as you tell him goodbye.

You are in my thoughts and prayers.
