“ *Myrt Low worked for Concerned Citizens for almost 15 years. She left her position due to poor health. She loved people and serving them. It was very hard for her to go on the receiving in when she eventually had to have meals on wheels and transportation to dialysis.*

*She was a second grandmother to my children and a good friend to my mother Norma Jones. I had Baeli soon after Myrt started working for me. I don't know if it was harder on me or Myrt when she started school. Myrt could not wait for summer when Baeli would be at the center. Baeli followed her everywhere!*

*Myrt will be missed by many.

“ Walter and Sam and Family,  
We were sad to hear of the passing of Mrytle, but we know she is in a better place and suffering no more. I think we were (as kids) very lucky to have aunts and uncles that we could look up to and respect and that treated us as well as they all did. I remember liking all of them, but even into adulthood Elmer and Mrytle were always my favotite Aunt and Uncle. It was always fun to be around them. We will miss them greatly as I know you all do. Circumstances don't allow us to attend the services as it turns out, but you all are in our prayers.

“ *Elmer and Myrt were our neighbors on 7th Street. There are part of my childhood memories. Thank you for the years. May you rest in peace and in the Lords presence.* ”
