“ *Nathan, I am sad that you are no longer on this earth. Although I am thankful that we got to share so many memories growing up as kids. I don't have a childhood memory without you in it. School, church, youth camp, running back and forth across the street to play with the all the neighborhood kids. I can still hear someone yelling at us kids to stay off the grass. Playing endless Nintendo games in the living room at your house and running over after Christmas morning to see what kinda cool toys Santa brought you and Stephanie . I can go on and on. I was lucky to call you my friend and my brother. Rest easy Nathan until I see you again my friend.. Lori Gonzalez*
