“ *Buddy,*

We are sorry for your loss of Nelda and hope you are moving forward. I don't know that we would have been able to come. Larry was snowed in at the time and JJ was in NC with Rafe and Laurie Stuckey and family. It is too bad we didn't have more time to visit at Humpy's funeral, but we are so glad you turned around and came back to visit with Larry a little bit. It has been so long he didn't recognize you. We walked up to the graves and paid our respects before we headed for home.
