“ Nelson was such a pleasure to be around. He would lend a helping hand whenever there was a need. Though it has been many years since we last saw one another his face and laugh can still be seen and heard clearly. Joyce, he loved you dearly and I still hear him talking about you sitting there with your glass of iced tea. I know I didn't get to be around you much but to this day when I'm having my glass of iced tea my memories of Nelson's stories of you surface. May God bless you and all of your family members during this difficult time. But know this.... Nelson is at peace and smiling down on everyone.
