“ *The thing I remember the most about Nona was her ability to make people feel accepted. In my youth I often struggled to be the person that others wanted me to be. Nona had a way of making me feel OK about who I was without signs of reservation. I do not remember a time when she did not have a smile waiting for anyone, whether they needed it or not. I feel we have lost a person that makes our lives more pleasant. I will miss her!*

“ I was not around you as an adult but you never forgot Dan's kids. I hope this song will bless your family. I was praying I would be able to sing this at the graveside...song....Family Reunion ..Some day I will go,to a family reunion,where pure waters run free and Jesus will be. What a glorious time at God's family reunion,on heaven's bright shore praising God ever more!....When daylight comes,to that eternal morning;and the saints of all ages, with joy on their faces, Will praise ever more,God's son of the morning! Praising God ever more , on eternity;s shore! Saints of all ages, will be at that reunion,All colors of faces,From this world and it's races! What a glorious time, At God's family reunion! Praising God ever more, On eternity's shore!...Someday I will go, to a family reunion : Where pure runs free, and Jesus will be! What a glorious time, At that family reunion: On heaven's bright shore. Praising God ever more. God be with you!

“ Nona had the biggest heart and can-do attitude of anyone I have meet. Her husband and family were most important to her. Nona had high morals and a great sense of humor that she showed to her friends and family on a regular basis. Nona will be missed by all that knew and loved her. God Bless her family!

“ Grandma, I love you so much. I have a lot of memories of times we had that will never go away. I was only two when you came into my life, you took me in and treated me as one of your own. You have no idea how much that means to me. You have taught me that family is everything, its going to be hard without you here but we know we will get through it ok, because thats what you taught us. I Love you very much. I can't wait to see you again.

“ *My sweet little Aunt Nona, I could always count on you to love me for who I was, not for who "they" thought I should be. You always brought a smile to my face and a laugh to my ears. I know I told you on several occasions how much your unconditional love meant to me, but now I have the chance to tell the world. You will be remembered, loved and cherished for the rest of my life. Thank you for just being you.*
