“ *I am truly sorry for your loss. I know that there are no words that can be said that can comfort you right now. I just hope that your pain be eased and know that your grandmother is feeling so much better now. I'm sure she loved you dearly as you do her. I just wanted you to know that you and your family are in my prayers and if you need anything, all you have to do is call on me. God Bless you all!!*

“ *To the Stone and Abernathie Families,*
It is very difficult to put into a few small words our feelings for and toward all of you. God has allowed us to have the privilege to know all of you, and be with you through alot of good times, and some hard times. But God is so good. I have a little devotional that I go back to many times which tells me that God is with us at all times. Sometimes he takes us around the hard times, and sometimes he takes us thru the hard times to make us stronger people and realize that God is always with us and never leaves or forsakes us. My memories of Mrs. Stone go many years back when you, Judy, was in YWA at Live Oak Baptist Church and I was the YWA Director. I remember Mrs. Stone by many things, but one thing I always remembered was how she was always willing to help me with furnishing refreshments for a meeting that week, and one time in particular,we had a YWA banquet and she fixed a salad which was some type of salad with strawberries. Judy and all the family I have more good memories than I can put on paper. When Judy and Robert were married. When Rob was born and how proud all were of him, and then there were other children that came along, and each one was a special child to the Stones and those of us who were friends.

I do have some regrets at this time that I did not stop and visit with Mrs. Stone each time I passed by. I would think I'll come back by and stop, but seems I didn't manage my time well.

Judy you have always been a wonderful daughter (caregiver or whatever roll was needed). You have also been a wonderful Mother. Your children take great pride in having you as their mother. We take great pride in being allowed to just be friends. I don't have the vocabulary nor space to fully express our feeling for all of you, all the way down in the family to those precious great grandchildren.I thank God again for allowing us to be your friends.
