“ *I extend my sincerest sympathy to the entire family and the caring friends.*

Though I never knew nor met Oma personally, Martha always spoke of her at work after she would return from visiting her on weekends in Jacksboro.

So in a sense I knew her personality and qualities.

Blessed with longevity it speaks volumes of her character and this also is reflected in her children and grand kids that are left behind to carry the mantle.

From a distant land my thoughts and prayers are with you all as you reflect on the wonderful life Oma lived and the example she leaves behind for all to imitate.

May Oma rest in peace God Bless!
