“ *Onita was my first Sunday School teacher I can remember. As a young boy maybe at age three or maybe a little older I can remember her teaching me at the old Bethel Assembly of God church on Jasper Street. She has been a good friend all my years of growing up and as I got older. The whole Wigington family seemed like family to me. I know there will be a void in your lives but fill it with what made your grandma and mother happy and that is Jesus.*

“ We are so sorry to hear of Onita's passing. We will miss her and are sorry that we will not be able to attend the funeral. It's a long way for me at age 83 to go that far even if someone else drives because of the high mileage on my body while flying.

Onita was my first cousin and Joe was very interested in getting to know her so I introduced them while we were in high school.

Idella and Boyd, we didn't know you had moved to Mansfield. Without a telephone book in circulation we don't know how to contact you. Give us a call 682-503-4064 so we can get together.

“ *I am so glad God blessed me with you as my Grandmother. I will cherish every memory that you and I have ever shared both good and bad. I love you Maw Maw and will miss you always. I am so grateful you were there as I grew and you met all your great grandchildren. You were ready to meet the Lord when he called you home. You will now have eternal peace. I promise you I will never stop calling out the names of all your family members in my prayers as you did daily. I also know that you will see each one of us again. I know that you believed we would all be in heaven together and I agree and believe with you. Enjoy your eternal home. I love you.*
