“ Margaret and Julie , just found out that your mom passed. Your mom and dad were both a great influence in my life. Our families had a lot of good memories together. The last time Karen and I visited with Pat was at Christmas time and I remember all the decorations in every room in the house. We won't be able to come to the service, but our thoughts and prayers will be with you and all your family. May God Bless and comfort you.

Pat was one of the most loving and caring ladies I ever knew. She loved her children and extended the same love to their friends. Bless her family and know that Pat is in the loving arms of our maker with that same smile she always had when I saw her...
