“ *Bruce,*

I am deeply sorry for the loss of your Mother. I know how much she meant to you and your family.

The memories of such a wonderful woman should be cherished. Pat was a kind, caring person - and let's not forget how full of life she was!

My condolences to you and prayers that God will allow you comfort and joy in Pat's memory.

“ I am so sorry to hear of the passing of Pat. I have so many fond memories of both of you. It was easier to do well with her in PE than that terrible pre-Algebra 1 class that you made us (me) sit thru in the 8th Grade. You were one of my favorite teachers, Mr. Gleason, and having been thru the death of a spouse twice, I want you to know that I really know what you are going thru and I wish you the very best..be very good and patient with yourself. God Bless you and your family. Pat Swiney

“ Pat, was truly a remarkable individual. She loved children so much and wanted to see them do well. As a result, she committed her life in teaching youngsters the value of life and doing as well as possible with their talents as they possibly could. I had the opportunity to be on the church staff with Pat at Town East Baptist church several years ago. She was so committed to the church program for early childhood development and worked so hard for the sake of the children to make the program a high quality program without much help and for very little salary. I have so many great memories of those days . My thoughts and prayers are with Bill and the kids and grandkids and all the extended family of Pat.

“ Pat was always a motherlike figure to me. Pat and Bill were excellent examples for myself, their sons, and all their friends. They made sure Scott and I didn't get into too much teen mischief. The Gleasons love the outdoors. Pat was the only Mom of a friend that I'd ever shot pistols with! A dear lady, indeed. My love and prayers to all the Gleason boys.

“ Ms. Gleason was my Kindergarten teacher at the Little Red Schoolhouse back in 1966. I'm certain she had some type of influence on me becoming an elementary teacher, so I will be forever grateful to her! I have very fond memories. David, and the entire Gleason family, my thoughts and prayers are with you all.
