“ *Dear family, My greatest sympathy goes out to you in this great loss that you are going through. My favorite memories of our family getting together at our grandparents ,going to Seymour Park for a picnic in the summers. Also, spending a week at your home in the summers and you coming to the farm and staying with us there! I will never forget the wonderful times we all had back then! May God hold you in his arms, and help you through this! Then we will all be together in heaven.*
