“ *I was saddened to hear of Paula's passing. We had kept in touch over the years and I knew that Paula's health was fragile. I was at my sister's, Twila, home in Pampa at the time of the funeral. I will keep the wonderful memories we made together close to my heart.*

“ *I want to express my deepest sympathy to your family for your loss. It saddens my heart that death has the power to take our loved ones away from us. With the days to come, I hope you find comfort in the precious moments you shared with Mrs. Paula.*

It is very comforting to know of the resurrection our Heavenly Father has promised us through the merit of Jesus' ransom sacrifice (John 5:28, 29). The same way Jesus resurrected his dear friend, Lazarus, he will also do for our loved ones we have passed (John 11:11-44).

I hope your family gains the needed comfort during this difficult time.
