“ Randy was such a great guy! He gave me such a hard time when I rear-ended him in the high school parking lot when I was 16. My maxima was almost totaled & he had that big white truck so I didn't even put a scratch on the trailer hitch! He just laughed at me, said its ok, & let me use his cell to call my dad (Richard Poynor). Then Dad came up there & they joked around while I cried over my car. But thats the way I always remember him, being this big, laughing, joyful guy! My mom talks about him often & how much she enjoyed talking to him & his friendship. I'm sorry for your loss. He will be missed by many!
