“ Just wanted to send my love and prayers to all of the Chamberlain family, friends and loved ones. My heart goes out to all of you. He was definitely one of a kind and will be sorely missed by so many. Fatty Arbuckle for one has so many great memories working and partying with Ray. We all need to focus on the great memories we all share. I believe Ray would want us to celebrate his life with a smile more than a tear...easier said than done! We love you Ray and will miss you beyond belief. God Bless you all!
