“ *Joann, we are very sorry for your loss. I know Ray was a great guy and I will always remember he had a great personality was very down to earth and easy to talk to. I remember when I first met Kim, before we were even married we came to your house in the country for the family reunion it must have been around 1988 and how we had such a great time and how you and Ray welcomed us all and made us feel at home. God bless you, we love you.*
