“ William you will never be forgotten. The memories of our childhood growing up. It was the 3 of us all the same age born the same year and at the same hospital. Our mom's were sister's I guess that why we were so close you, Judy Ann and myself. Oh the fun we had. But we grew up and raised our own families. I have read some postings about you from your family. Oh how they love. You did good they now have their families . William you will always be missed and forever loved.
