“ *Richard was such a wonderful addition to our family. He was always in the thick of things. He loved playing card games, dominoes, etc. and he would stay as long as anyone was willing to play. He was a fantastically supportative uncle to his nieces (and nephews). He enjoyed attending any activity that they were involved in. He attended almost every piano recital that Avery & Brenna played in! He always spoke his mind, and left no doubt about his opinions. We love him dearly and he will be sincerely missed!*
