“ I've now this family all my life!! Joann and i went through 12 years of school together!! I seen Ricky Don almost everyday, he always spoke too me, always had a smile and a hello!! He lived less than 1/2 a block from me, and it will be a lot different not seeing him around town!! He had friends that loved him a lot and they are missing him so much right now! My prayers are with his family and friends and i know God will get them through this tough time!! Love and prayers, Denise

“ Ricky don one of my best friends, I knew I could count on him. Ricky had a heart of gold and touched many peoples lives. Ricky always had good intentions and no matter how many times he kept getting the short end of the stick he kept getting back up and trying to move forward.

I love you Ricky as if you were my brother, I wish we could of finished our conversation. You will be missed more than you know.
