“ Lynda and Family,
I am so glad that Robert is finally at peace. He fought the good fight, and now it is time for him to be in the blessed arms of Jesus, where there is no more pain nor suffering. I have had you all in my thoughts and prayers for months now, and I shall continue to pray that God will give you comfort and peace. May the memories that you have sustain you in your grief, may your mourning be brief and the happiness for Robert's life with you fill your soul with song. God bless you all.

So fondly,
Kay McBroom

“ Finding the words to truly express to wonderful people as Linda, Robert Fenter and children are very difficult. There are many fond memories of the days of about 28 years we were neighbors. During those days our children and your children grew up. I will always remember the ball games on the vacant lot just North of our house. Quite alot of discussing, trying to determine which one was right., probably every day. Quite often I was cooking something, and didn't have all the ingredients I needed, a great neighbor to borrow from were the Fenters. We have enjoyed our time living in the country after moving from 202 N. 10th. The thing that we missed most was the wonderful neighbors we had there. No words are possible to fully express to all the family our special feelings for the Fenters... We will never forget all the times David and Brady Woolsey spent exploring and having good times together. We enjoyed sharing camping experience together also.

“ While the door may have closed on Robert's life in this world; another door has opened on the other side. What comfort to know there is no more suffering and that he'll be waiting at the new door to welcome you when it's your time. God bless. Bonnie & Bob

“ Lynda,
I'm so sorry you both had to go through the tragedy of cancer, but like you, relieved that he is finally at rest. At least he got to enjoy some exotic travel when he was healthy. My heart goes out to you in your grief.

*Love,
Lucy*
