Our prayers go up for you at this time. May God carry you & give you strength during this difficult time. I can't imagine the feelings everyone is having over his death. “ Rodney, I want you to know that even though we have not spoken in years I still consider you a great friend and I will never forget all the great times I had playing Softball with you and Sherry and all the great cookouts we had when I was growing up. You always had a smile on your face and were always picking on me but that's okay because I knew you were just a joker. You could always make me smile and I know how much you love your family. You were a wonderful man, a loving husband and father and you will be greatly missed. Please give JI a great big hug for me when you see him! Rest in peace and know that your loved ones will be taken care of because you touched so many lives we will return the favor and take care of any needs they may have. We love you HotRod, R.I.P.

“ To the Family and Friends,

*I can't begin to tell you of the shock this news brought to me. Though it has been many years since I have seen or talked to Rodney this news brings a sadness to my heart which I cannot explain. To hear his name brought back such pleasant memories of a distant past which is all too often set deep in the childhood memories of one's soul.*

*To Danny, Debbie, Pam, and Chris,*

*You will be in my thoughts and prayers as you go through this most difficult time. The loss of a brother or sister and the feelings that will follow can only be described by a brother or sister. I hope you focus on the joy and laughter you shared with your brother and know that you have the most difficult task of going on without him in your daily lives. I can honestly say that as each sun rises and sets from this day forward you will learn to know him all over again and will never forget what you have learned.*

*May God's Blessing Be With You and Guide You,*
