“ So hard to believe my brother is gone...Roland was also my College buddy and we shared some very memorable moments. We ate together, hung together and were just really good friends. We competed against each other in High School (Breckenridge/Jacksboro), so we were instant friends once we hit Angelo State. I am just at a loss for words right now and I know I speak for my homeboys Bobby Howard Jr and Harold Word when I say that Roland will be sorely missed. My condolences to The Family and many friends of Roland and may God bless us all as we try and work our way through this tragic time.

“ Roland was like one of my own during his teenage years. He and my son Christopher were inseparable. I loved him like a son. I will always cherish the time he came home with us to Louisiana for our family reunion . He had an assignment to fulfill I. This old world and now it is done. God has given him a new assignment. Family you will see him again. O will be praying for you guys. God has him and I k own he is alright.
