“ Ronnie was as genuine as it got....caring, honest and hard working. I would remember getting out of two-a-day football practices and we would all go home and sleep...not Ronnie...he would go mow a couple of yards between and after practices. I also don't ever remember seeing him mad at anyone or about anything....just smiling like we always expected of Ronnie. I am honored to call him a friend and I know he is in a better place smiling down on us wondering why we are mourning his passing. Rest in Piece my friend!

Poor Ronnie, Cris and I always harassed him when we were younger, we would make him chase us at Nanny's house while we played "colored eggs"! He never told us no! When he probably wanted to call us both little brats!
As I got older of course life happened and drifted apart. But the memories I have of my cousin will last a lifetime! Im so glad I have the happy memories that I do of him.

“ *Ronnie was one of the hardest working men that I know. Even after he had worked all day long, he always took the time to say hi and to ask about Bill and Kaylee. I was mowing my front yard one day with a push mower, Cameron drove by on the riding mower. Ronnie had Cameron mow my front yard for me. Ronnie was very thoughtful, caring, and loved his family. Kim, Cameron, and Mrs. Abernathie my thoughts and prayers are with you.*

Keeping your family in our thoughts and prayers today and all the days ahead. Ronnie always was friendly and would make sure he spoke to you, sometimes it might be a wave and a smile and a how are you, or if he had time he would stop and talk for awhile. He was a hard worker. He will dearly missed by many.
