“ Just thinking back over all the wonderful memories we've had over the many years together as friends. You will surely be missed by me and everyone. I know we will see each other again someday as you were a man of God that we shared both ways in our times of work and visiting together. I'll be praying for all the family... Until later, Gil.

*I was blessed to meet you at the Dairyland this summer with Gil and your brother. I know Gil has spoke so fondly of you and your friendship. I'll be praying for your family as well. We will meet again in Heaven someday! Your friend, Holli Harris*
