“ *Philip & I would like to express our gratitude to all of you who have paid tribute to our Mother, Rosetta. Your kind words are a comfort to us and our family. Mom would be so pleased. She was blessed to have such a loving family and good friends in her life. But, we were the more blessed to have her in our lives. I love you Mother and look so forward to seeing you and Daddy and our family in heaven.*

“ I know it is a sad but happy day for your family. Rosetta was a truly precious person and seemed to never meet a stranger. She will be missed by many. May you be comforted in knowing she is now in the presence of the Lord and all is well with her.

“ Im Micaela GongGongs great granddaughter and I loved her like she was my own mother. She was very sweet to me and even spoiled me. I loved her and even though shes not here on earth with us shes still in our hearts And I know she will watch over her friends and family. I know she is in heaven with her dog Sushi now. She will always be loved and missed deeply.

“ I really don't know where to begin to express my thoughts and feeling about my Gong Gong. To date, she is the most amazing person I have ever known. As a small child I remember being fascinated at how much I loved and adored this lady. As I grew to be an adult the love and admiration never changed. She made my sister and I her number one priority in life...there is no doubt she absolutely loved being our grandmother and there is no doubt that we absolutely loved that SHE was our grandmother. I feel so fortunate that of all the people in the world, me and my sister were blessed with her being chosen as our Gong Gong. I have dreaded this time for many many years, actually as far back as I can remember but I find peace in knowing that she knew just how special she was to me. The last day I saw her before her passing I held her hand asking her to squeeze mine which she did twice, She knew I was there. Before I left her side I told her I loved her and after 48 hours without speaking a word she said "I love you" back to me. Those were the last words spoken between the two of us and the most precious of any words that could have been said. I know she is watching down on me today and every day here after. I love you Gong Gong and I miss you soooooo much!!

“ My Gong Gong was the most special person ever, every single great memory I have includes her. My sister and I were her whole world to her and I will miss her dearly every day of my life. She was the kindest, most caring person, who did everything for her family!

“ I was so glad I had a chance to know Rosetta. We spent lots of afternoons talking about all kinds of things when I would go to pick up Micaela. She loved each of you so much in so many different ways. Our prayers are with you all. I'm glad Gong Gong is at peace now. She is smiling down on all of you.
You are all special to me,
Mary
