“ *I really enjoyed Ruby's performances, especially with Black Oak Arkansas. She lit up and commanded the stage, and was always so nice to her many fans.
She will be greatly missed by many people for her talent and kindness,*

“ Dianne, I know this is a very difficult time for you and your family. You were blessed with a wonderful mother. My memories of her were always being a helping hand to you in your classroom. She was truly a special lady and was certainly your "shining Starr". Comfort and peace be with you at this time.

“ I always enjoyed the days I would go to school to volunteer and your mom would be there helping out. She was so warm to the children and so supportive of Dianne. Even with the 8 years between my two children's kindergarten experience, Mrs. Starr still remembered my oldest and ask about her. Please know how much she was loved and appreciated and that we are praying for your family.

“ This is a special time for your family when waves of emotions and memories will encompass your every thought. Hang on to them and embrace them for these represent all that was good about your Mom. I always enjoyed seeing Mrs. Starr in the hallway helping with Dianne's Kindergarten class, sharing a quick lunch with Dianne before the kids came back from their lunch, and how tirelessly she worked helping to cut out, put together, or evaluate the students. What a servant...God Bless your families.

“ It was so good to see all of you at the visitation and service. Even though Ruby and Harry weren't there, it was like old times, but with all of us a bit older. I pray for God to comfort you as you adjust to your mom's absence, and as I said Friday, may the memories be sweeter as the years pass. Any words of tribute are not sufficient to remember her life. You were fortunate to have been born a Starr.

When you make it back to Jacksboro, I hope you will contact me.
Love, Larry

“ Dianne,

I did not know your mother but I share your sorrow. I know that she had been very ill and that you can now rest and know that she is in peace without pain or suffering.

My thoughts and prayers are with you, Mike, your family and friends.

“ Dianne:

I am thinking of you often and hope you can remember the good times with your mom and not the illness. We are never ready to lose them, but sometimes they are ready to go. God bless you and your entire family. I will see you as soon as I can.

Love, Rita
