“ *Sky was a beautiful, intelligent and kind woman. She was devoted to her daughter Brenna and her grandson Zachary. She was so happy about Brenna's marriage to Dennis and their new baby due in March. Sky was a beloved sister to all of us. She was always there for all of us. I will never forget her wit and her compassion and her pure spirit. Sky was also a dedicated employee. She loved her job and took pride in her work. I miss her very much but I am thankful she is not hurting any more. Brenna and Zachary made her very happy and I know she will always be their guardian angel.*

“ I am very sorry for your loss. Sky was a very good friend to me. I love her and will miss her friendship. We went to high school together and reconnected on Facebook a few years ago and it felt like we had never lost touch. My prayers are with your family.i

“ Sky was my friend for many years! I was so excited when I found her again on facebook, and could chat with her anytime! No matter how long we went without "talking", that kindred spirit of hers picked up the minute we got back in touch with each other. I "chatted" with her on fb on Dec. 28th, and was lost when she told me what she was going through. I knew through it all, how much she loved her daughter, and that precious grandson, and in my heart I was hoping she could hold on to the upcoming grandchild, but when Debbie told me she had passed it broke my heart! She is one of the most precious people I knew! Debbie, I don't think I ever had the opportunity to meet you, but I did the other three, and all of you had always had a special place in my heart! I am so sorry for your loss, but I am glad that she is at peace and can watch over the whole family...Love to you all!
