“ Sharon.... I love and will miss you dearly. I was looking forward to having lunch when you got back and catching up again. Isaiah says to tell you that he loves you. There are not enough words to say all the things that I want to say nor enough tears to cry to show how much you are loved and will be missed. To the family. I am truly sorry for all the loss that you have had to endure the past couple of weeks. I don't have the words to express it all. To Stephanie, TJ, Kelly and Danny. Know that you were all your mothers world. She would have given any part of her body gladly for you. I love you all and know that if you need anything at all that I am just a phone call away. Sharon..... I love you. Kiss my baby for me ok.....
