“ We had planned to see you this day Thurs., Oct. 5th, but we had to go to Graham to a Memorial Service.  
To the Bivins, and Cole Families,  
We wish to send our heartfelt sympathy to each of you. I have spent much time with Connie, and the girls after the loss of their mother. I will always have a special feeling for these girls who meant much to me. I have had many thoughts the past few days about my cares for all of you. Just week before last I went to the house of Connie and Jerry on S. 2nd St. When I got there I was told by a man who was working for you loading and cleaning there, that Connie and Jerry had moved to the country, but he couldn't tell me where. Now I am wondering if God wasn't speaking to me and telling me to go spend some time with you week before last. Only God can heal this situation and give you peace. So I pray for each of you that you will allow God to be the the priority in your lives. Mickey & Pete Woolsey -I wish to share this scripture-Romans 6:23-The wages of sin is death, but the gift of God is eternal life through Jesus Christ our Lord.(Stop and remember what God's gift to mankind was. It is wonderful to know the Lord and let him have first place in our hearts and lives. I couldn't be victorious if it wasn't for God's love ".God gave his only begotten son that whosoever believies in him will have eteral life." Thanks for your friendship.

“ Dear Shelly Delaine Cole,  
I miss you so much! A lot has happened here lately && all it did was bring back memories with you! I miss all the times me && you would go over to Aunt Connie && Uncle Jerry's house and hang out together && you would always do my make-up. And that time when I through my 10th b-day party at Aunt Connie's && you lived with her at the time. I still today have all those pictures I took at my party. The funny thing is that you were in every single one of them but like 2. I miss you so much Big cuz! I would take you back in a heart beat if I could! I want to see you again! Me, Justin, && Cassie went && visited your grave the other day. It was hard to leave. I love you && miss you so much Shelly! && I love you Aunt Connie!
